

STARBASENEWS

New Year Supplement

www.sb410.net

JAN 2006

HAPPY NEW YEAR

And welcome back to every one.

Now that the Main Newsletter has gone quarterly, I have decided to introduce a simple, single sheet supplement to the main edition, and this is the first one! These supplements will bring items of urgent news, events or notices that occur between the quarterly Newsletter editions to our members.

At the meeting today, there will be an open committee meeting to discuss what we going to do over the coming year and decide the Kitchen Rota. Also Christine is going to be selling some of her hand made cards again for those who missed them at the last meeting. The emphasis is likely to be Birth and Valentines Cards. If they are anything like the ones she had on display before Christmas then we are in for a treat.

Friday 10th February 2006 is the deadline for the next main edition of the Newsletter, ready for the February Meeting. So if you have any snippets of News, cartoons, puzzles, stories, book/film/TV Reviews, or anything else SciFi/Starbase related then, please, do send them in. And now, so that they don't get mixed up with my other emails, you can send them to our new email address for Newsletter contributions:

Newsletter@sb410.net

Use this address for urgent items for the supplements too!

That's it for Now.
Happy New Year
Jaz Freeman (Editor)
